Wild Mantra Review

Wild Mantra slot is a LeoVegas exclusive from Yggdrasil, and it was launched 16th of May 2024. The game is set high up in the Himalayan mountains, and the reels are sideways spinning prayer wheels typical for the Tibetan culture. It's a very harmonious setting, and the game is rather peaceful also when it comes to volatility.

The game comes with 5 reels, 4 rows and 25 ways to win, and you can play across all devices with bets ranging from 10p to £125. Central to the game is the Mantra Re-spins feature, where you land stacked wilds and get re-spins where the wilds will nudge if you land more during the spins. There is also the free spins feature where wilds that landed on the triggering spin become sticky.

We've learned that the

game was originally supposed to be called "Prayer Wheels", but Yggdrasil dropped this, probably because the religious connotations would be too obvious and in your face.

Either way, the majestic view and harmonious music will put you in a meditative state for sure, and spinning prayer wheels might not be the worst thing to do if you want to win big.

The Return to Player (RTP) percentage on Wild Mantra is 96.3%, and this does not really stick out from most other slots out there. Please also note that this is a medium variance game, and you can therefore expect decent payouts once in a while, but nothing too massive. The potential is not huge, but you can still pocket 1000x your stake on this game.

What symbols are there?

The symbols on Wild Mantra are tibetan

prayer wheel signs, and all the higher value symbols pay the same, as does the low value card suit symbols. You need between 3 and 5 matching symbols on a payline in

order to win:

Free spins symbol - High value symbol that pays 1,000x for 5 on a payline

Red sign symbol - Pays 4x for 5 on a payline

Green sign symbol - Pays 4x for 5 on a payline

Purple sign symbol - Pays 4x for 5 on a payline

Blue sign symbol - Pays 4x

for 5 on a payline

Card suit symbols - Low value symbols that pay 1.6x for 5 on a payline

What are the bonus features?

As the title of the game indicates, this is about

wild symbols, and in Wild Mantras slot every wild will land 4 symbols tall on the reels. This triggers the Mantra Re-spins feature, and when a new wild lands the other wilds will nudge 1 position. This goes on as long as you keep landing new wilds, or until the whole screen is filled with nothing but wilds.

Free spins in Wild Mantra

The

free spins feature on Wild Mantra is triggered when you land 3, 4 or 5 free spin symbols (scatters) anywhere on the reels. This will give you 2, 20 or 1,000 times your stake before the free spins feature plays out with 10 free spins. All wilds on the reels when the free spins feature was triggered will be active when the free spins play out.

What is the jackpot (max win)?

While you cannot win any progressive or local

jackpot on Wild Mantra slot, you can still take home some decent payouts here. The max win is 1,000 times your stake, which is not all that bad for a medium variance game. If you play with the highest possible stake of £125, you can win as much as £125,000.

Where can I play Wild Mantra?

You can play Wild Mantra for real money at one

of the listed casinos below: Where to play Wild Mantra.

Don't want to play for real

money? No problem, you can easily play the demo for free here at SlotCatalog: Play Wild Mantra for free.

You can also play Wild Mantra on both mobile and tablet, and Yggdrasil

always makes sure their games look great on all handheld devices and platforms. This is a nice, relaxing game that probably looks best on tablet if you want the details, and you can play it on your Android devices or on your iPhone and iPad.

SlotCatalog

verdict

Yggdrasil has come up with a very harmonious and peaceful theme for this game, and graphically it looks very good. The "prayer reels" spin sideways, but other than that there is not all that much innovation or "new" stuff to see here. It's a pretty simple game, suitable for a meditative session of introverted spinning. The potential is decent, but this is still a medium volatile game where you cannot expect massive wins.

Pros

Free spins with sticky wilds

Re-spins with nudging wilds

Max win up to

1000x

Cons
