Slot features you cannot miss

Play online slots at PlayOJO and you can expect much more than Wild symbols and Free Spins features. These are just some of our favourite slots features you'll discover at PlayOJO, plus the games that made them famous.

Free Spins

The engine room of every slot game! Land scatter symbols to trigger 10 or more Free Games, that often come with special reels or multipliers too. In Buffalo King Megaways, you can score 22 Free Games with Multiplier Wilds.

Wilds

Wild symbols help you complete wins, but many games use funky versions with special powers. Sticky Wilds, Expanding Wilds and our favourite, Walking Wilds. Play Granny vs Zombies or Wild Toro 2 and see!

Cascading Reels

Also called Avalanche or Tumble, this feature removes winning symbols for the possibility of chain reactions of wins. See this in action in Sweet Bonanza, Gates of Olympus, Thunderstruck II and any Megaways slot.

Cluster Pays

Take a break from reels and paylines with slot machines like Jammin' Jars 2 and Reactoonz. With square grids and game app DNA, they're perfectly made for mobile.

Mega Symbols

Why not supersize your slots play with symbols that are 2X or 3X as big in slots like Dragon's Luck, Wolf Gold and Nitropolis 4.

Reel Modifiers

Games like Lucky Wizard and Dynamite Riches have random features that change the symbols to create wins. Low-paying symbols can be removed, Wilds could be randomly added to reels, or mystery symbols reveal big wins.

Prize Trail

When it comes to entertainment, trail features like the one in Rainbow Riches can't be beaten. Spin the wheel or roll the dice and move up the trail to bigger and bigger prizes.
